

ID NOW™ PLATFORM **ONE SWAB** TWO TESTS

ID NOW™ provides actionable results exactly when and where they are needed — in near-patient settings at the point of care.

ID NOW™ is a rapid respiratory molecular testing platform that delivers accurate results in just minutes, so you can make diagnostic decisions during the first patient visit.

COVID-19 | INFLUENZA A & B

ATTEND OUR ID NOW™ PRESENTATION

**Tuesday, October 18, at 10:35 a.m.
in the Simcup area**

Impact and outcomes of the implementation of a rapid molecular solution on the organization of the emergency department

PRESENTED BY

Dr. Stefan Kortüm

Emergency Department

Klinikum Hochrhein,
Waldshut-Tiengen, Germany
