Prices DocCheck Sponsored Posts

Sponsored Posts are displayed on the DocCheck start page within the stream of the user. They are placed between the editorial articles and are designed in the look and feel of the start page. Sponsored Posts are especially suited for advertising DocCheck channels or specific highlight articles within the channels. It is recommended to switch the posts regularly.

The costs are based on the following (The minimum booking volume is 1.000 EUR per campaign):

Sponsored Post	Cost in CPM
closed area	500 EUR
plus	Cost
set-up fee per post	300 EUR

Prices DocCheck Sponsored Articles

The Sponsored Article is displayed within editorial articles of our platform and is designed in the look and feel of the DocCheck page. This format is particularly suitable for advertising highlight articles of a channel. We recommend to exchange the articles on a regular basis.

The costs consist of the following:

Sponsored Article	Cost in CPM
closed area	370 EUR
plus	Cost
set-up fee per article	200 EUR

Prices DocCheck MedWords

MedWords are displayed within DocCheck Search. They are either shown to all users, health professionals or medical professionals, all within the closed area. MedWords are connected with specific search terms for ads to appear above the results of the organic search. The price consists of a Cost-per-Mille and a **set-up fee of 700 EUR**. The latter comprises the setting of the ad as well as a review and completion of the keyword lists.

MedWords	Cost in CPM
Displayed to all DocCheck users	100 EUR
Displayed to health professionals	200 EUR
Displayed to medical professionals	400 EUR
