Please always specify the room heights as follows when ordering ceiling lights:

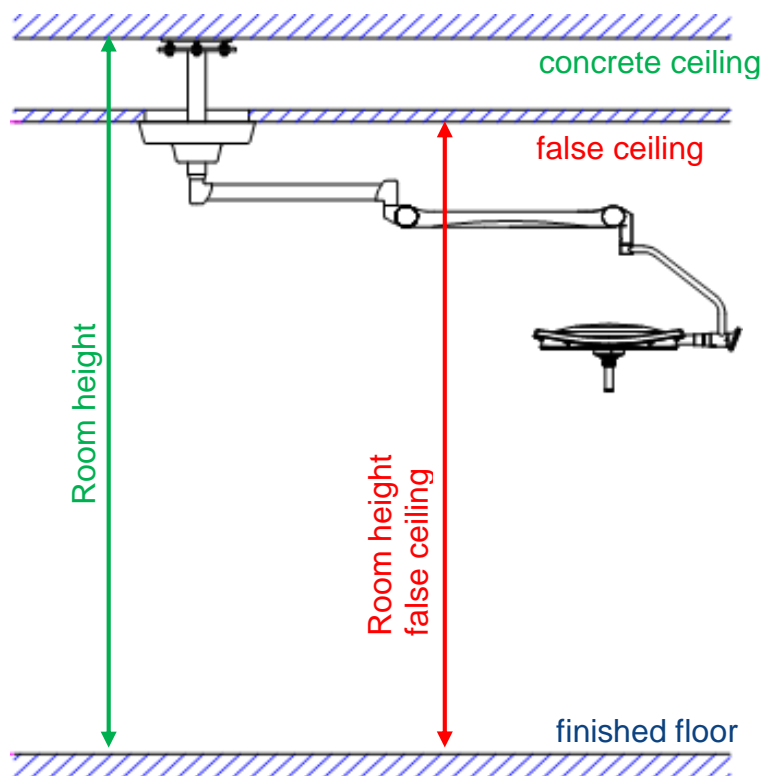

Room height in mm	
-------------------	--

**RH:** Fixation height from finished floor to lower edge of concrete ceiling in mm

Room height false ceiling in mm (if available)	
--	--

**RH-FC:** Room height from finished floor to lower edge of false ceiling in mm

*(The false ceiling as well as the ventilating ceiling please do not specified as concrete ceiling.)*

If the room height is changed after receipt of the order confirmation, delivery delays and possibly change fees must be expected.

### Ceiling anchorage ring

Please note, that for ceiling models a ceiling anchorage ring is mandatory for correct installation. *(For detailed info, please check our price list on page 4.)*
